The Board shall, pursuant to Sections §§85-1501 to §§85-1540

(7) Have the authority to contract for services connected with the operation of the community college area as needs and interest demand.

(8) Have the responsibility and authority to cause a comprehensive audit of the books, accounts, records, and affairs to be made annually covering the most recently completed fiscal year; such audit of each area shall include all sources of revenue used to finance operating expenditures and capital improvements and the county-certified property valuation for the community college for the fiscal year for which such audit is being performed. Results of such audits to be reported to required agencies on or before required dates.

(9) Have the responsibility and authority to cause a comprehensive audit of the full-time equivalent student enrollment totals and reimbursable educational unit totals to be made annually covering the most recently completed fiscal year. The audit of each area shall include a report of full-time equivalent student enrollment totals and reimbursable educational unit totals verified by such audits for the three most recently completed fiscal years which shall be used for calculation of aid to the community college areas. Results of such audits to be reported to required agencies on or before required dates.

(10) Analyze and develop recommended fees and charges for the facilities authorized by Neb. Rev. Stat. §§[85-1501](#) to [85-1540](#).

(11) Solicit and accept on behalf of the College such gifts, grants, conveyances, and bequests of real and personal property from public or private sources as may be made from time to time, in trust or otherwise, whenever the terms and conditions thereof will aid in carrying out the community college programs as specified by law.

(12) Analyze and develop recommended courses of study for the College and publish such catalogs and bulletins as may be necessary to implement such courses of study.

(13) Have charge of the development and promulgation such rules and regulations and perform all other acts as the board may deem necessary or appropriate to the administration of the community college area; such rules and regulations shall include, but not be limited to, rules and regulations relating to facilities, housing, scholarships, discipline, and pedestrian and vehicular traffic on property owned, operated, or maintained by the community college area.

(14) Subject to Board of Governors policy limitations, enter into agreements for services, facilities, or equipment and for the presentation of courses for students when such agreements a
