## Teen Creative Writing Camp

This camp offers a space to find your creative voice. Over the days, we will dive into different forms of creative writing and how to gather inspiration. You will get to practice writing in different mediums and share your drafts in workshops, helping you to form a more critical eye for refining your work. After learning how to express yourself

and the stories within you, you will ultimately be able to carry these writing skills with you beyond this camp.

Open to students entering 7-12th grade.
