Students will participate in hands-on assessment scenarios followed by a debriefing of the pathop0Dfh ewed by a debriefing of 7ie 42

EMS Instructor Training

This 48-hour EMS instructor Course focuses on the methodologies of preparation, presentation and evaluation in the classroom. Upon completion of this course the student will be able to develop a topic for presentation using appropriate methods and tools. To become a Nebraska licensed EMS Instructor, you are required to have a valid EMT license or higher for a minimum of three years.

This class is scheduled based on community needs. For more information, contact Amy Bassen at abassen@southeast.edu.
