

AI Engineer

Prerequisites: Familiarity with fundamental mathematics and the ability to code.

This program will give an overview of the current AI landscape, teach how to integrate AI into existing and new devices, creating an AI model. Topics include OpenAI, AI Services, Google Vertex AI and Model Garden, TensorFlow, Python, and machine learning in this program.

You will earn the Microsoft AI-900 AI Fundamentals certification (which includes this program) and will be eligible for the AI-102 AI Engineer exam (which is not included). **Key**

Intro to Canva

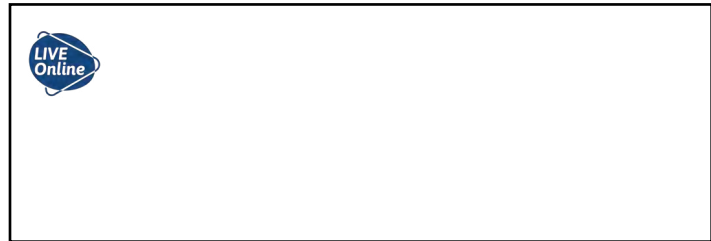

Canva is an online design tool that allows you to create professional-looking graphics and images. This course will teach you how to use Canva to create social media posts, presentations, and more. **Keyword: Canva**

 LIVE Online, Zoom AREA-0937-TCYFA
 York, YKLC, D101 AREA-0937-YKFA

Diane Houdek
 The agenda is attached here. This will be the agenda for the class.

Want to take a class that is listed as "LIVE Online, Zoom" but don't have a way to view the class or are having connection issues?

Contact Learning Center if you are unable to access the class.

Cancellation/Refund Policy: You must call the Continuing Education office at 402-437-2700 or 800-828-0072 the day before the class begins to receive a 100% refund. If you call the day of the class or after it has started, no refund will be issued. If a class is cancelled or student drops (according to the refund policy), refunds will be issued to the student, unless a third party has been formally billed by SCC Business Office. **ADA Reasonable Accommodations:** SCC provides services and reasonable accommodations to allow persons with disabilities to participate in educational programs and other College activities. For information on requesting ADA reasonable accommodations, contact the SCC Area Access/Equity/Diversity Office.

REGISTER ONLINE

You must have an email account to register online.

1. Go to <http://bit.ly/RegisterCE>
2. Search for your class by entering a key word in the search box and the course number. Click Submit. (Enter information in the field below.)
Key Word Example: Driver
Course Number Example: TRAN-3398
3. Select the course from which you wish to register. Click Submit.
4. Enter your personal information, certify your identification and click Submit.
*Your mother's Social Security Number.
5. Optional: Enter your Additional Registration Information and click Submit.

6. If you are registering for additional classes, click Search for more classes. Under "Choose the following" if you are finished registering the class(es) for which you wish to register, click Register now (check out). Select your Payment Type. Click Submit.

7. Enter your payment information. Click Submit.
You will see your class acknowledgement with information about your SCC Student ID Number, SCC User ID and password. Print this page for record.

In the future, you will be asked to register by logging in with your SCC User ID and password and your mother's Social Security Number.

If you have a problem registering, please call 402-437-2700 or 800-828-0072 for assistance.

* The College requires a student's Social Security number as a condition for enrollment online. A student's Social Security number information constitutes an "educational record" under FERPA.
