

# Setting up Microsoft Authenticator App for SCC Single Sign On

[My Sign Ins: Security Info](#)

*You will need to log in with your SCC Hub password and credentials if you  
have not done so already*

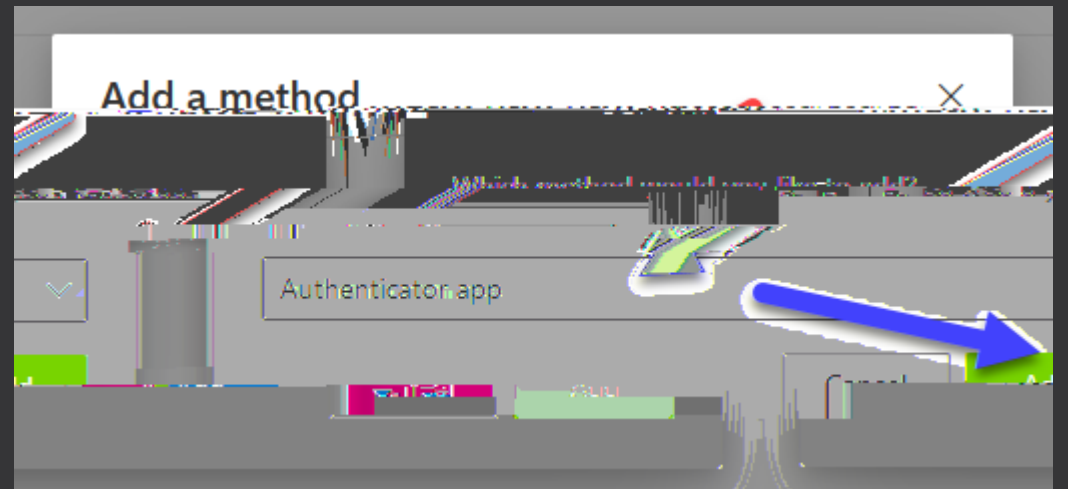

+ Add Method

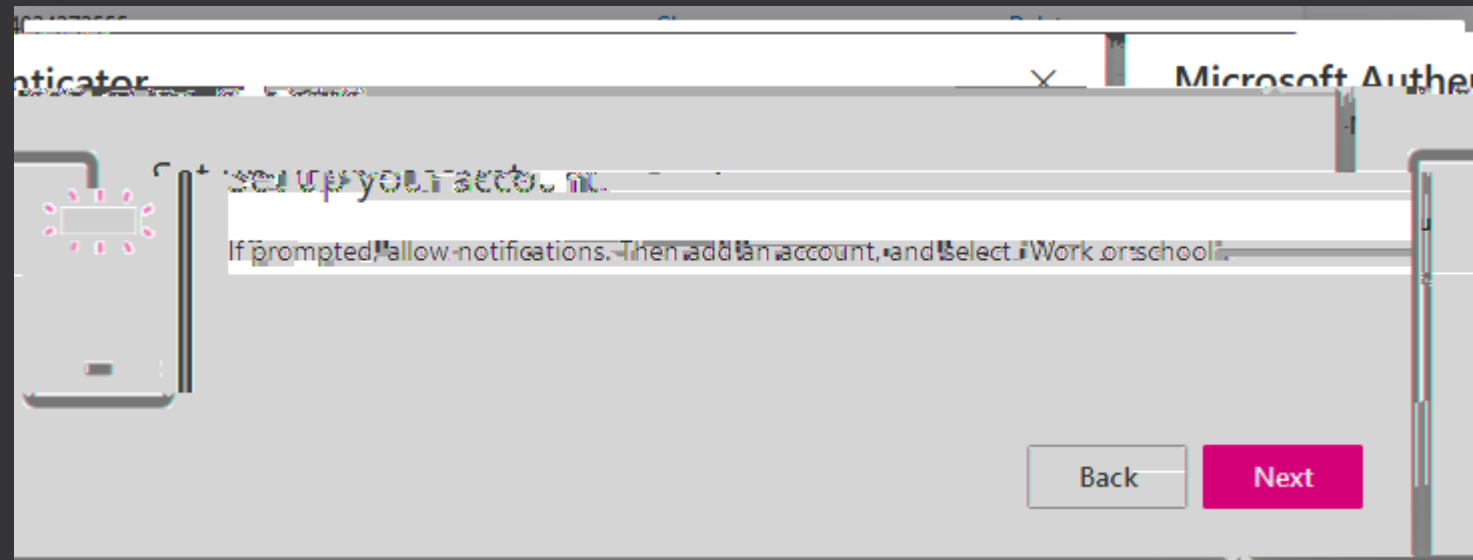

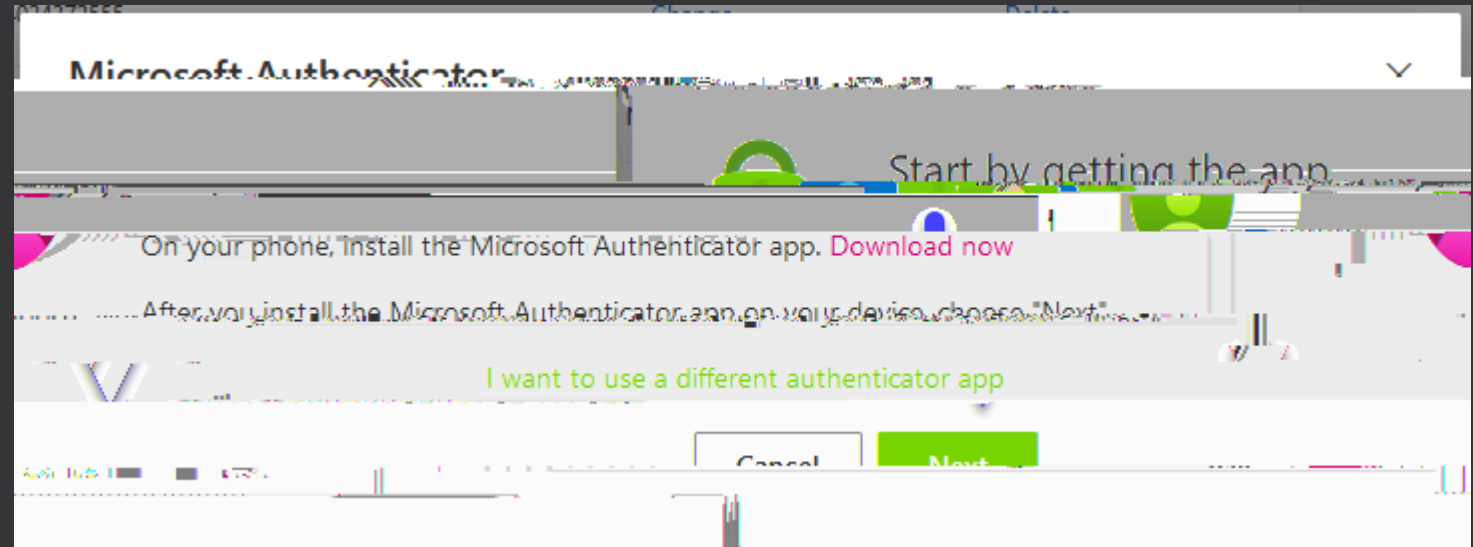

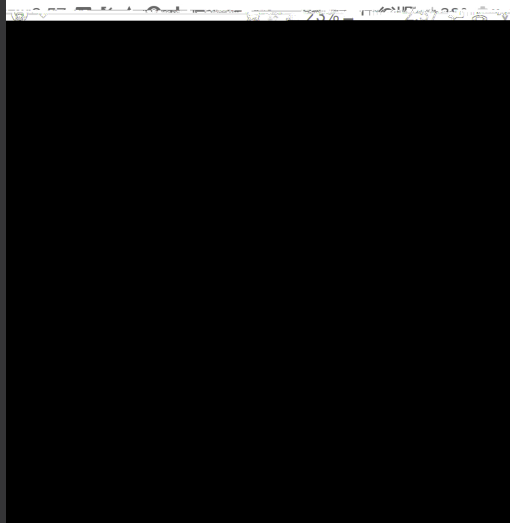

app

Authenticator

Add

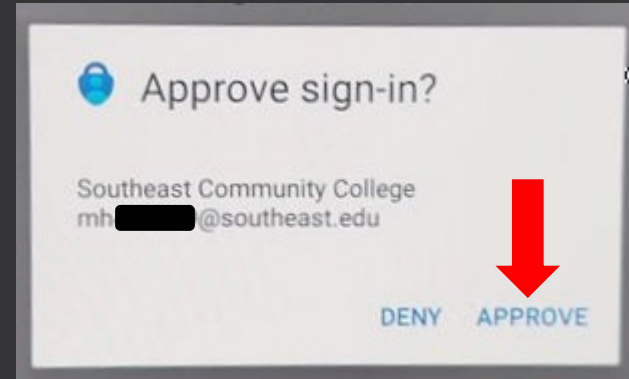

Next

Use the Microsoft Authenticator app to scan the QR code. This will connect the Microsoft Authenticator app with your account.

Use the app with your account.

After you scan the QR code, choose "Next".

Approve sign-in? [REDACTED]@southeast.edu

**Default sign-in method  
Authenticator – notification**
